Request For Proposal (FRP)

Upgradation of traditional/wooden tourist carrying boats used in various water bodies in Odisha; “preparation of technical specifications of FRP boats”.

A. Introduction

Government of Odisha has entrusted Kerala Shipping & Inland Navigation Corporation (KSINC) as their technical partner to provide technical support in planning and developing diverse water tourism within the state of Odisha.

The state boasts a 482 km coastline and eight major reservoirs besides several other pristine water bodies where surveys have ascertained the feasibility of setting up sustainable water sports & recreation and tourism products such as houseboats.

“Besides water sports, Tourism department is planning to introduce boats in Chilika Lake, Bhitarkanika backwaters and Hirakud Reservoir, which will offer the best of the state’s ecotourism potential harmonised with adventure, leisure and experiences in local cultures and hospitality. Also as part of its ongoing efforts to improve water recreational profile of Chilika lake, Department of Tourism, Govt. of Odisha is introducing a scheme for tourist boat owners of Chilika to replace their wooden boats with FRP boats.

B. How to apply

Sealed and signed proposals will be accepted till 05.08.2021 and will be opened on the same day. The proposal must be submitted to the Managing Director, KSINC, Gandhi Nagar, Ernakulam super-scribing “**Request for proposal; Preparation of technical specifications of FRP boats**”.

C. Scope of work

As part of its ongoing efforts to improve water recreational profile of Chilika lake, Department of Tourism, Govt of Odisha is introducing a scheme for tourist boat owners of Chilika to replace their wooden boats with FRP boats. The scheme thus envisaged will offer partial financial assistance to the beneficiaries in the form of subsidy and facilitation support for them to avail loans at a reasonable interest from financial institutions. In order to proceed, they are in requirement of
